Eircode: _____

SECTION 3

DETAILS OF COMPETENT PERSON EMPLOYED FOR THE PURPOSE OF COMPILING STATISTICS RELATING TO THIS RENEWAL APPLICATION

Name:

Address:

Position in Company:

Telephone Number: _____

E-mail Address: _____

Eircode: _____

SECTION 4

SUMMARY OF THE OVERALL ACTIVITIES IN RESPECT OF THE AGGREGATE WEIGHT OF PACKAGING MATERIAL RECEIVED AND/OR SUPPLIED IN THE PRECEDING TWELVE-MONTH PERIOD

Packaging Type (Tonnes)	Received	Gross Packaging Supplied	Exported	Other Label	Destined for Reuse	Manu Brand Packaging Supplied	On Products Imported & Supplied	On Products Pack Filled	Waste Accepted (Acc)/ Collected (Coll)/ Purchased (Pur) for Recycling			Waste Accepted (Acc)/ Collected (Coll)/ Purchased (Pur) for Recovery		
									Acc/ Coll	Pur	Total	Acc/ Coll	Pur	Total
Glass														
Plastic														
Paper & Fibreboard														
Steel Inc Metals														
Aluminium														
Wood														
Textiles														
Composites														
Other														
Totals														

- (a) Packaging received means all packaging and packaging material (primary, secondary or tertiary) received onto the premises named in section 3 of the Producer’s Annual Report (including imported packaging material, packaging associated with imported goods and pack-filled packaging)
- (b) Gross Packaging Supplied means packaging received **less back-door waste and/or packaging not supplied (kept in warehouse)**. The levy applied by the LA will be on the manufacturing brand packaging supplied when packaging exported, packaging other label & packaging destined for reuse do not apply
- (c) Packaging exported means packaging material and packaging where such material or packaging is supplied by, or used in the supply of products by, that producer to persons outside of the State
- (d) Other Label means packaging on product that will have the name of the store where the product will be sold rather than the name used by the major producer
- (e) Packaging destined for reuse means packaging which has been conceived and designed to accomplish within its life cycle, a minimum of two trips or rotations and which is subject to operations by which it is refilled or used for the same purpose for which it was conceived, with or without the support of auxiliary products present on the market enabling the packaging to be refilled (e.g. milk bottles, beer kegs etc) (See Regulation 6)
- (f) Manufacturing brand means where a manufacturer markets a good or family of goods under its own brand name(s)

Packaging supplied means packaging, packaging material and packaged goods (primary, secondary and tertiary) supplied at and/or from the premises named in section 3 of the Producer’s Annual Report. “Supply” in relation to packaging material, packaging and packaged products *includes* in the course of business, to provide in exchange for any consideration other than money and to give as a prize or otherwise make a gift

Manufacturing brand packaging supplied is a combination of the above

A levy of €15 per tonne subject to a minimum of €500 and a maximum of €15,000 shall apply to packaging material and packaging supplied from the producer’s premises placed onto the Irish market. A producer categorized as a manufacturer brand packaging supplier is levied on this packaging type only

- (g) Products imported and supplied means quantity of packaging imported and manufacturer brand packaging supplied as reported by major producer
 - (h) On products pack filled means a producer who puts products into packaging for the purpose of supply
- (g) and (h) above are the baseline for recovery and recycling targets for a self-complier and relate only to manufacturing brand packaging supplied**
- (i) Waste accepted/ collected/ purchased for recycling, for the purpose of fulfilling obligations under Regulation 11 of the Packaging Regulations i.e. recovery and recycling targets for major producers
 - (j) Waste accepted/ collected/ purchased for recovery, for the purpose of fulfilling obligations under Regulation 11 of the Packaging Regulations i.e. recovery and recycling targets for major producers

SECTION 14

NEWSPAPERS NOTICES

Copies of any notices placed in newspapers, including details of the titles and publication dates for the notices in the newspapers concerned, circulating in the functional area of the local authority concerned for the purposes of regulation 10(4) in the preceding registration period i.e.

During the months of March and September in each calendar year, a major producer shall –

- (a) publish in one or more newspapers circulating in the functional area of the **South Dublin County Council** in which its premises is situate a notice complying with the requirements of Part 5 of Schedule 2 (the wording for which is provided in **appendix 1**) ; and
- (b) provide copies of all notices published to the local authority within ten days of the date of publication of such notices.

SECTION 15

ANNUAL REPORT REQUIREMENTS

An annual report specifying the steps taken to comply with the regulations in the preceding registration period.

The report shall include a declaration from a competent person having due regard to the records of the major producer, that the competent person is of the opinion that the major producer has complied with the provisions of regulations 5, 6, 7, 8, 10, 11, 12, 13, 14, 15, 16 and 25 i.e.

Reg 5 – Packaging waste arising on a producer’s premises

Reg 6 – Information on packaging destined for reuse

Reg 7 – Information on the weight of packaging

Reg 8 – Obligation regarding recovery operators

Reg 10 – Requirements on major producers to recover and recycle packaging waste

Reg 11 – Recovery and recycling targets for major producers

Reg 12 – Purchase of packaging waste

Reg 13 – Registration and certification of major producers

Reg 14 – Application for registration or renewal of registration

Reg 15 – Implementation plans, annual reports and quarterly reports

Reg 16 – Application of requirements

Reg 25 – Power of local authority to require submission of information

SECTION 16

THREE YEAR IMPLEMENTATION PLAN REQUIREMENTS

A revised three-year implementation plan, having regard to experience in the preceding registration period, specifying the steps to be taken to comply with the Regulations, including the steps proposed to be taken to prevent or minimise packaging waste. The plan may relate to the overall activities of the major producer within the **Local Authority Area of South Dublin County Council** and shall be made available on request to any person, free of charge.

In addition, the major producer shall fix and maintain a notice in a conspicuous position that is clearly visible to members of the public, within one metre of each entrance to each premises, a notice complying with the requirements specified in Part 3 of Schedule 2.

The wording for this notice is provided in [appendix 2](#).

Please refer to document titled - [Three Year Implementation Plan](#)

SECTION 17

REGISTRATION FEE

An application for renewal of registration with **South Dublin County Council** must be accompanied by a registration fee. The prescribed registration fee is as follows -

- €15.00 per tonne of packaging material and packaging placed on the market, on a per premises basis (detailed in Section 1) in the 12 month period since initial registration or last preceding renewal of registration as the case may be. Subject to a minimum of €500 and a maximum of €15,000 per premises.

REGISTRATION FEE ENCLOSED:

€
