Information on Bealtaine Festival

The month of May belongs to the Bealtaine festival, celebrating creativity as we age! Over 120,000 people now take part in Bealtaine. From dance to cinema, painting to theatre, and arts to crafts, Bealtaine showcases the talents and creativity of older people.

The Bealtaine festival gives you the opportunity to discover a new talent or find a new way to use an old skill. It is an opportunity to make new friends and connect with your community.

Each year a theme is used to help people think of things to do during May and a festival programme is produced. The programme lists the wide variety of events and activities that are planned for the festival.

South Dublin County Council has organised a number of events during the month to celebrate this festival and has produced this programme to advertise the Bealtaine events for older people.

South Dublin County Council's theme for this year's festival is "Catch the Heart off Guard".

Most events are accessible for people with mobility impairments. If you have specific access needs, for example Hearing Induction Loop, Braille or large print documents, or are on a restricted diet, please tell us before you attend an event so that we can try and meet your access needs.
