Message from Mayor Peter Kavanagh

"Cuireann sé ríméad orm Clár Chontae Átha Cliath Theas do Sheachtain Náisiúnta na hInrochtaineachta 2021 a chur os bhur gcomhair. Ba mhaith liom aitheantas a thabhairt do na gníomhaireachtaí agus na heagraíochtaí go léir a chomhoibriú le chéile chun an inrochtaineacht a cheiliúradh ar fud an Chontae. Mo bhuíochas libh.

Bunriachtanas is ea an rochtain uilíoch má tá faoi phobail bhríomhara leanúint orthu ag fás agus a bheith inmharthana. Tá Comhairle Contae Átha Cliath Theas tiomanta don chomhionannas, don chuimsiú agus d'áiseanna agus seirbhísí a mbeidh teacht ag gach duine orthu a sholáthar.

Tá dúshlán ó thaobh daonra agus déimeagrafaice de roimh ár gContae, ach tá an Chomhairle trí bhíthin a foirne, a Comhairleoirí agus a grúpaí gaolmhara, tiomanta do chlár oibre na rochtana. I mo cháil dom mar Mhéara bhuaill mé le líon áirithe grúpaí ar chás leo an inrochtaineacht agus tuigim a thábhachtaí is atá na hearnálacha deonacha agus pobail maidir le soláthar seirbhísí agus áiseanna, bunaithe ar chearta, a chur chun cinn.

Mholfainn do gach duine a bheith páirteach sna himeachtaí atá leagtha amach agus a gcion a dhéanamh ionas go n-éireoidh go seoigh le Seachtain Náisiúnta na hInrochtaineachta 2021."

"I am delighted to introduce South Dublin County's National Accessibility Week Programme 2021. I would like to acknowledge and thank all the agencies and organisations who have collaborated to celebrate accessibility throughout the County.

Universal access is essential for the continued growth and sustainability of vibrant communities. South Dublin County Council is strongly committed to equality, inclusion and providing facilities and services that are accessible to all.

I would encourage everyone to get involved in the planned activities and to help make National Accessibility Week 2021 a success."

National Accessibility Week 2021 will take place from Monday, 29 November. The week-long campaign will coincide with International Day of Disabled Persons which occurs each year on the 3rd December.

National Accessibility Week (led by local authorities across the country), is an important opportunity to encourage all people to focus on issues of accessibility and universal design. The Week provides Councils, businesses, community groups and so on with a valuable opportunity to highlight the accessibility of their facilities and services. A range of events will take place, and social media will be used to encourage wider society to be more inclusive of the varied access needs of disabled people of all ages.

Monday, 29 November

Making Inclusion a Reality – report launch

Independent Living Movement Ireland (ILMI) have been working with South Dublin County Council (SDCC) to support the inclusion of disabled people in developing and implementing housing policy and provision in the South Dublin County area over the course of 2021.

Through funding from the Irish Human Rights and Equality Commission (IHREC), ILMI contracted Values Lab to develop a model of best practice for the participation of disabled people on a local authority housing and disability steering group.

We are inviting you to the launch of the report from this exciting project “Making Inclusion a Reality”. There will be inputs from ILMI, SDCC, Values Lab, members of the South Dublin Disability Platform and the Housing Agency. Please contact info@ilmi.ie to register for this event. ISL interpretation will be provided.

An Online Social Stories talk with Joanne Fine (Speech and language Therapist)

One of the biggest challenges faced by children on the ASD spectrum can be their lack of comprehension with changing social and emotional situations in life. Some children find it impossible to naturally understand the difference between two seemingly obvious social scenes and can react in a socially inappropriate manner. This talk aims to explore some of the reasons for these issues and go through series of Social Stories specifically designed to help children understand and more appropriately deal with various social scenes and will address the following issues:

- Children with ASD rely heavily on the use of Visual learning
- Children's senses can often be overwhelmed by sensory input which can lead to reactions
- How to use social stories to explain social situations
- Examples and recommendations

Frame Football Display Match

In 2017, the FAI in conjunction with Esker Celtic FC started to develop Frame Football in Ireland to support people who use a walking aid such as a frame to participate in a format of football which is tailored to their needs. Frame Football is a small sided game played on a hard surface or firm AstroTurf. SDCC supported this initiative by providing funding for a state of the art, fully accessible Astro football pitch. The Frame Football team in Esker Celtic is going from strength to strength so feel free to come along on Saturday, 4 December to see the players in action!

Additional Events and Exhibitions taking place during National Accessibility Week

Cartoon Exhibition highlighting the often ironic side to accessibility

Johnny Connaughton is a freelance Graphic Designer and Cartoonist living in Dublin. He has worked in advertising agencies and design consultancies in Dublin, London and South East Asia. His cartoons on disability try to get across the situations and issues faced by people in a light-hearted way while still getting the message across. If it's funny you're quicker to read it and remember it! Our thanks to Spoke Out Magazine for the use of some images which were originally published in their magazine.
