Where we advertise

www.etenders.gov.ie

Public sector tenders are advertised on www.etenders.gov.ie. South Dublin County Council advertises tenders directly on this site.

Sometimes other public sector bodies might also advertise a tender that we can use – this will be stated in the advertisement on www.etenders.gov.ie. This includes tenders advertised by the Office of Government Procurement and the Local Government Operational Procurement Centre.

We prioritise the use of national and regional arrangements over standalone local procurement to get the best value for money.
