

South Dublin Local Community Safety Partnership is a new initiative which will bring residents, community organisations, public services, local representatives and An Garda Síochána to work in partnership on key community safety priorities in South Dublin County Council's administrative area. Resident voices will be central to identifying local issues, shaping solutions and monitoring progress.

SDCC are inviting expression of interest (EOI's) from Resident Associations across South Dublin to nominate a Resident Representative to the new Local Community Safety Partnership.

Role of the Resident Representative

#### **Resident Representatives will:**

- Represent the views and interests of residents and Resident Associations from across South Dublin County
- Help identify community safety priorities and emerging issues in their local area
- Work collaboratively with statutory agencies, community groups, and other partners
- Contribute to the development and delivery of a Local Community Safety Plan
- Attend LCSP meetings and related workshops or engagement events

This is a voluntary role. Support and information will be provided to all Resident Representatives to help them participate fully and confidentially.

#### **Who can apply?**

Resident associations based in South Dublin County Council's administrative area are invited to submit an Expression of Interest nominating a resident representative who:

- Lives in South Dublin County Council's administrative area
- Is actively involved in their Resident Association
- Is committed to promoting inclusion, respect, and collaboration

#### **How to submit an Expression of Interest**

Resident Associations wishing to nominate a Resident Representative are invited to submit an Expression of Interest online by **5.00 p.m. on Tuesday 27<sup>th</sup>, January 2026**. To receive a link to the Expression of Interest Form please email: [lcsp@sdublincoco.ie](mailto:lcsp@sdublincoco.ie)
