## 3. How does the scheme work?

The main points of the scheme are as follows:

- The scheme is for first time buyers and [Fresh Start applicants](#) who cannot afford to purchase a home at its market value. *\*Some exceptions apply.*
- Applicants who are married, in a civil partnership or in a committed relationship with a partner with whom he/she intend to live in the affordable dwelling, may not apply for an affordable dwelling on his/her own but must apply jointly with his/her spouse/partner.
- To participate in the scheme, applicants will be required to maximise their mortgage capacity (4 times a household's income), from a participating lender or [Local Authority Home Loan](#) from SDCC. *\*Participating banks include AIB and its Haven subsidiaries, EBS, Bank of Ireland, PTSB, and Community Credit Union.*
- The maximum financial support (equity share) available on each home will be established by SDCC. The minimum equity share is 5%.
- All purchasers will sign up to an 'Affordable Dwelling Purchase Agreement' (ADPA) with SDCC. Under this agreement, the council will take a percentage equity share in the dwelling, equal to the difference between the market value of the dwelling and the price paid by the purchaser.

- The equity share range available on this scheme starts at 5% and will vary per home type. [Please see the table above on page 3.](#)
- The council may not seek realisation of its affordable dwelling equity for a 40-year period (other than for breach of the agreement). However, the purchaser may choose to redeem or buy out the affordable dwelling equity at any time by means of one or a series of payments to the council. The minimum amount of redemption payment is €10,000.
- If the purchaser chooses not to redeem the equity share while living in the home, the local authority can do so when the property is sold or transferred, or after the death of the owner.

DNG New Homes requires a €5,000 booking deposit which is fully refundable up until the signing of contracts. The balance is then required on the exchange of contracts, which is 10% of the affordable purchase price less the initial €5,000 already paid. Also, financial institutions require that a **minimum 10% deposit** must be raised by purchasers.

Example:

For a property with a purchase price of €200,000 you will need a deposit of at least €20,000.

## 15. Stamp Duty

Purchasers should generally expect to pay the usual rate of stamp duty, which on the conveyance of a residential property is 1% on value up to €1,000,000 and 2% on the balance above that, on the full market value of the home.

However, the Stamp Duties Consolidation Act (SDCA) 1999, as amended, contains a provision that the stamp duty on the conveyance of a residential property from a Local Authority may be capped at €100, regardless of the full value of the property.

## 16. If I am approved for the scheme, where can I source a loan?

Finance can be secured from the following pillar banks; Bank of Ireland, PTSB, and AIB Group, including EBS and Haven. Finance can also be secured through the Community Credit Union, or alternatively, finance can be sourced via SDCC by way of a Local Authority Home Loan.

Please click [here](#) for further information on applying for a Local Authority Home Loan.

## 17. How do I know which property to apply for?

The property being applied for **must** be within the applicant's affordability range and must also suit the household's housing needs in line with the Scheme of Priority.

Full information can be found in the Scheme of Priority, which can be viewed by clicking [here](#).

## 18. What is the market value of the properties?

The market value of an affordable home is the price at which the affordable home might reasonably be expected to achieve on the open market.

The market value of the properties in Canal Bank, Clonburris, Dublin 22 are below:

Property Type	Market Value
1 bed triplex (1st floor)	€285,000
1 bed triplex (2nd floor)	€295,000
2 triplex (ground floor)	€340,000
2 bed duplex apt (ground floor)	€370,000
2 bed house (end-terrace)	€400,000
2 bed house (end-terrace)	€410,000
3 bed duplex	€420,000
3 bed house (mid-terrace)	€440,000
3 bed house (end-terrace)	€450,000
4 bed house (mid-terrace)	€465,000
4 bed house (mid-terrace)	€480,000
4 bed house (end-terrace)	€490,000

## 19. How is the affordable purchase price calculated?

SDCC, in line with the Affordable Housing Regulations, will set a minimum price that the affordable properties can be sold for. The affordable purchase price to be paid by an applicant will all depend on that applicant's purchasing power and their ability to raise the relevant finances.

Please [click here](#) for worked examples for homes in Canal Bank.

*\*The higher an applicant's purchasing power is, the more they will contribute to the price and the less equity the council will take.*

*\* The above examples are indicative only. There are some cases where significant savings can add to purchasing power where gross income is lower.*

## 20. How is a decision made on my application?

The decision on your application is made by SDCC in accordance with the eligibility criteria and the [SDCC Scheme of Priority](#). Completed applications will be assessed in the order in which they are received.

## 21. What is the Scheme of Priority?

A Scheme of Priority was approved by the Elected Members of SDCC on 10<sup>th</sup> October 2022. The Scheme of Priority outlines a methodology to be applied to determine the order of priority accorded to eligible households where the demand for such arrangements exceeds the dwellings or resources available.

The main points are as follows:

- The property must be suited to your household's needs.

- In relation to 100% of the dwellings, the date and time of application will be one of the criteria on which eligible applications will be prioritised under the council's Scheme of Priority i.e., properties will be allocated on a first come first served basis.
- In relation to 30% of the dwellings, priority will be given to eligible applicants based on any person making the application being or having been resident in the administrative area of SDCC for a minimum period of 5 years.

## 22. If I am successful, will I be able to choose which property I want?

If you are deemed eligible to purchase, your details will be passed over to the selling agent, DNG New Homes. The preference of applicants for a particular property within the scheme will be based on the confirmed Order of Priority following the assessment of applications by SDCC. Eligible applicants will be able to choose their home based on the remaining available homes in the scheme.

Once you have chosen your home, you will be required to pay a booking deposit of €5,000.

All successful applicants will be required to obtain independent legal advice and pay their own legal costs to process the sale of the property. These and other associated costs must be considered when applying.

## 23. What is the Affordable Dwelling Contribution?

The Affordable Dwelling Contribution is the amount paid by SDCC towards your purchase of an affordable home. This refers to the monetary amount that the council will pay.

The Affordable Dwelling Contribution is the difference between the combined total of the purchaser's deposit, maximum mortgage capacity and savings where relevant and the market value of the home as per date of offer.

## 24. What is the Affordable Dwelling Equity Share?

The Equity Share is simply the contribution that the council provide expressed as a percentage.

It is the percentage of the market value that SDCC will contribute to the purchase of the affordable property. This will be at least 5% of the market value. This entitles the council to the same percentage in value of a future sale of the property subject to terms and conditions. It does not establish the council as a co-owner of the property.

You must need at least a 5% equity share from the local authority to bridge the gap between what you can afford to pay and the open market value of the home to be eligible for the scheme.

[Please see type of properties available by clicking here](#)

## 25. What is a Redemption Payment?

A redemption payment is a payment that is made by the purchaser to SDCC to pay back the Affordable Dwelling Contribution that was provided. Redemption payments are subject to certain conditions which are outlined in the Affordable Dwelling Purchase Agreement. The minimum

redemption payment is €10,000. The purchaser can redeem or 'buy out' the equity share at a time of their choosing, but there is no obligation to do so. If the purchaser chooses not to redeem the equity share while living in the home, the council can do so when the property is sold, transferred, or after the death of the owner.

## 26. Can I rent out the property?

The local authority equity is provided to homebuyers who intend to make the property their Principle Private Residence.

## 27. What is an Affordable Dwelling Purchase Agreement?

The Affordable Dwelling Purchase Agreement (ADPA) is the legal contract between the council and the purchaser setting out the terms and conditions under which the council provides the Affordable Dwelling Contribution.

Each successful applicant will enter into an Affordable Dwelling Purchase Agreement with SDCC. This will be prior to or at the same time as the closing of the purchase of their affordable home.

The agreement covers the obligations of the purchaser and the council and makes provision for the registration of the agreement with the Registry of Deeds/Land Registry. The agreement will also set out how and when the homeowner can make redemption payment(s) to reduce the council's affordable dwelling equity share as well as the conditions under which the council may seek redemption of the affordable dwelling equity.

Successful applicants will be required to enter into a Contract for Sale with the council in order to complete the purchase of the affordable home. This Contract for Sale will include all standard conveyancing terms and conditions.

***Applicants should note that giving untrue/incorrect information on their application may lead to the Affordable Dwelling Purchase Agreement being terminated and the offer to purchase being withdrawn.***
