Notes

This map has been prepared in accordance with the provisions of the Road Traffic 2004 and the guidelines issued by the Department of Transport 2005 for the application of speed limits. It shows for explanatory purposes the areas and roads as described in the Road Traffic(Speed Limit) Bye-Laws 2006(South Dublin County Council).

For this purpose the county is divided into two categories:

General speed limits apply to the following categories, (except where special speed limits apply).

1. Built-up area speed limit is 50 km/h
2. Regional/Local road speed limit is 80km/h
3. National road speed limit is 100km/h
4. Motorway speed limit is 120km/h

Special speed limits(where general speed limits are considered inappropriate) are highlighted by a coloured line as per the legend at the top of this map and are designated as follows.

1. Green = 50km/h
2. Red = 60km/h
3. Pink = 80km/h
